

Tenneo
Learning Platforms

**Supercharge
your learning by 10x
with Tenneo LPP**

Maximum impact with minimum effort

Tenneo LPP reduces unnecessary training and distinguishes the most productive workforces from those in need of training at the right time.

LPP

The LPP framework works on any LMS

Tenneo's LPP improves employee productivity and KPIs through targeted learning interventions and overcome administration hurdles through automation and create engaged learners.

Periodic generation
of performance data
